

Groasis has been awarded as National Icon by the Dutch Government for being one of the 3 most innovative projects of The Netherlands with a high social impact and supporting economic growth.

COOKIE POLICY OF GROASIS B.V. **Version 25 May 2018**

What are cookies?

Cookies are small text files containing a string of characters that can be placed on your computer or mobile device that uniquely identify your browser or device.

What are cookies used for?

Cookies allow a site or services to know if your computer or device has visited that site or service before. Cookies can then be used to help understand how the site or service is being used, help you navigate between pages efficiently, help remember your preferences, and generally improve your browsing experience. Cookies can also help ensure marketing you see online is more relevant to you and your interests.

What types of cookies does Groasis use?

There are generally three categories of cookies: “Necessary,” “Performance,” and “Statistics.” Groasis routinely uses all four categories of cookies on the Service. You can find out more about each cookie category below.

Strictly Necessary Cookies: These cookies are essential, as they enable you to move around the Service and use its features, such as accessing logged in or secure areas.

Performance Cookies: These cookies collect information about how you have used the Service, for example, information related to the unique username you have provided, so that less strain is placed on our backend infrastructure. These cookies may also be used to allow us to know that you have logged in so that we can serve you fresher content than a user who has never logged in. We also use cookies to track aggregate Service usage and experiment with new features and changes on the Service. The information collected is used to improve how the Service works.

Statistical Cookies: Groasis and our other third-party partners may use these types of cookies to track you through our website. These cookies can remember that your device has visited a site or service. In the future, this information may be shared with organizations outside Groasis, such as advertisers and/or advertising networks like Google AdWords to deliver the advertising, and to help measure the effectiveness of an advertising campaign.

How long will cookies stay on my device?

The length of time a cookie will stay on your computer or mobile device depends on whether it is a “persistent” or “session” cookie. Session cookies will only stay on your device until you stop browsing. Persistent cookies stay on your computer or mobile device until they expire or are deleted.

The Treesolution with the Groasis Growboxx is winner of the Accenture “Green Tulip Innovation Award” 2014

Groasis has been awarded as National Icon by the Dutch Government for being one of the 3 most innovative projects of The Netherlands with a high social impact and supporting economic growth.

First and third-party cookies

First-party cookies are cookies that belong to Groasis, third-party cookies are cookies that another party places on your device through our Service (like Google, Facebook). Third-party cookies may be placed on your device by someone providing a service for Groasis, for example to help us understand how our service is being used. Third-party cookies may also be placed on your device by our business partners so that they can use them to advertise products and services to you elsewhere on the Internet.

How to control and delete cookies

If you want to delete cookies follow the instructions at [this website](#). If you wish to disable your browser from receiving cookies follow the instructions at [this website](#). Note that if you set your browser to disable cookies, you may not be able to access certain parts of our Service and other parts of our Service may not work properly. You can find out more information cookie settings at third-party information sites, such as www.allaboutcookies.org.
